

Welsh T6 Throwing Circle - Throws Meeting

Date Sat 15 July 2006
Venue Aberdare
Weather Warm, sunny, light breeze into long throws.

Report

Despite a double fixture clash with the British Schools and AAA's, which took out most U17s and U23s, the fourth T6 meeting of 2006 saw some sparkling performances in the Aberdare sunshine. Brett Morse, Cardiff U20M, Discus (46.44m); Nicola Stevenson, Bridgend U20W Hammer (45.11m); and Mathew Richards, Swansea U23M, Hammer, (52.60m), all set new T6 records, and there were PBs from Rhys Hodnett, Cardiff U17M, Hammer (48.11m), Morse again in the shot (12.10m) and Peter Morgan, Cardiff U20M, Hammer (54.22m). There were also some excellent series, with Morse in the discus over 43.50m in five out of six throws; Hodnett over 45m in four of six; and Morgan over 51m in five of his six throws in the hammer competition.

The T6 Throwing Circle is for qualifying U17, U20 & U23 Welsh throwers.
