

Welsh T6 Throwing Circle - Throws Meeting

Date Sat 10 June 2006
Venue Aberdare
Weather Warm, sunny, very strong blustery wind (with JT; against DT, HT)

Report

The third T6 meeting of 2006 saw a sunny day spoilt by a very strong blustery wind which made conditions very difficult for all the throwing events. Attendances were also affected a clash with West Wales schools championships.

The weather conditions clearly reduced performances, with only one PB set at the meeting by Sarah Richards, Swansea, U17W Discus, with a T6 Record and 1m PB improvement of 35.74m. Two other T6 Records were set, although not PBs, by Mathew Richards, Swansea, U23M Hammer (49.55m) and the versatile Ritchie Wells, Swansea, U17M Shot (13.43m).

Other notable performances in the conditions came from Peter Morgan, Cardiff, U20M Hammer, with the only 50m throws of the day, and the impressive Brett Morse, Cardiff, U20M Discus with another 45m result, to reinforce his position as the current top ranked junior and senior Welsh discus thrower, despite still being a first year junior.

The T6 Throwing Circle is for qualifying U17, U20 & U23 Welsh throwers.
