FIELD EVENTS TIMETABLE

As only one High Jump area can be used we shall start the Inter Girls High Jump as near to 11 am as possible and the next high jump will follow as soon as the area becomes available.

As there is a large number of Javelin throwers especially in the later events some events may be called early if the area is available so the last event does not continue too long after the last track event.

PLEASE LISTEN TO THE ANNOUNCER FOR EXACT TIMES OF FIELD EVENTS

and arrive promptly when called.
